

## REFRIGERATOR WITH SLIDING GLASS DOORS BEZ-750 SL

€1,535.00

SKU:

7455.1395

**Introducing our retail refrigerator with 2 sliding glass doors, perfect for retail environments such as supermarkets and hospitality establishments!**

With its two sliding glass doors, this refrigerator not only offers a modern look but also excellent performance. The self-closing doors provide extra convenience, while the adjustable shelves offer flexibility to present various products neatly. Thanks to the ventilated cooling system, the temperature remains stable, while the digital temperature display gives you full control over the internal climate. The automatic defrosting reduces maintenance time, and the LED lighting highlights your products in an energy-efficient manner.

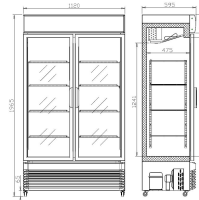

Dimensions: 1120x610x1965 mm (LxDxH) – Power consumption: 0.33 kW – Capacity: 750 liters – Temperature: +2/+10°C – Weight: 113 kg.

### Key features:

- **Ventilated cooling:** ensures even and efficient cooling.
- **Automatic defrosting:** saves time and maintenance.
- **LED lighting:** energy-efficient and provides a clear view of your products.
- **Sliding glass doors:** space-saving and practical for busy environments.
- **Available in various models:** also available in 780 liters, fully black, or with traditional glass doors.

With the BEZ-750 SL glass door refrigerator, you add a stylish and practical solution to your store or hospitality establishment. Order today and improve the presentation and efficiency of your chilled products!
