Stainless Steel Porcelain Cabinet 2 Doors – 5 Levels

Looking for a robust and hygienic solution to store dishes neatly and safely? This stainless steel dish cabinet with two doors and five fixed shelves per door combines a strong stainless steel frame with easy-to-clean compact laminate, making it ideal for kitchens and dishwashing areas where durability and hygiene are essential. The dimensions are 1280x580x1800 mm – weight 150 kg.

Key features:

- **Strong and durable** – stainless steel frame (40x40) and scratch-resistant compact laminate panels (10 mm)
- **Hygienic & easy to maintain** – smooth surface easy to clean streak-free
- **Noise-reducing** – compact laminate minimizes vibrations and is quieter than all stainless steel
- **Spacious and well-organized** – five fixed shelves (including bottom) per door for optimal storage
- **Stable** – height-adjustable legs for perfect alignment

Choose this robust and hygienic dish cabinet and experience the convenience of organized storage!
