### Heated banquet trolley 15x 2/1 GN with digital control

This mobile heated banquet trolley keeps your dishes warm, safe, and neatly organized. With capacity for 15x 2/1 GN or 30x 1/1 GN containers or trays on anti-tilt runners, a digitally adjustable temperature range of +50 to +90°C, and HACCP-compliant alarms, you always work within professional standards. The removable triple-chamber magnetic gasket provides optimal insulation, while protective bumpers and a magnetic door catch ensure durability and safety. A 270° rotating door with a robust hinge makes access easy, and the “easy clean” design with removable electrical compartment simplifies maintenance. Dimensions 811x928x1660 mm (WxDxH) – power 2 kW – temperature +60/+80°C – weight 143 kg.
