

PIZZA OVEN DOUBLE 2 X 1

€750.00

SKU:

7455.1095

The ideal pizza oven for every kitchen: powerful, compact, and reliable

This compact tabletop pizza oven is perfect for smaller professional kitchens. Thanks to fast and even heat distribution, you can bake every pizza to a perfectly crispy crust with a flavorful base. The precise temperature control up to 350°C gives you full control over the baking process. The sturdy stainless steel housing guarantees long-lasting durability. Prepare delicious pizzas with ease and quality. Dimensions: 685x675x430 mm (W x D x H) – power consumption 3 kW – weight 50 kg – temperature range 0/+350°C – capacity 2 pizzas.

Key features:

- **Adjustable temperature:** precisely controllable from 0 to +350°C.
- **Three separately controllable heating elements** for optimal heat distribution and flexibility.
- **Robust stainless steel housing:** durable and reliable.
- **Two oven compartments:** each 500x500x115 mm, suitable for baking 2 pizzas at once.
- **Compact and practical design,** perfect for various professional kitchens.

Whether you're an experienced pizza chef or just starting out, this electric pizza oven helps you bake delicious pizzas time after time. Add it to your kitchen today and experience the convenience and quality of professional baking!
