### Black Countertop Ice Cream Display : The Perfect Presentation for Ice Cream and Desserts

This compact and stylish black ice cream display is ideal for ice cream parlors, cafés, food trucks, and restaurants. Perfect for showcasing ice cream, sorbets, and other chilled treats. With a sleek design and advanced technology, this display freezer offers everything you need to present your products at their best. Dimensions: 670x750x375mm (WxDxH) - Temperature: -18°C/-16°C - Energy consumption: 0.19 kW - Weight: 67 kg.

#### Key Features:

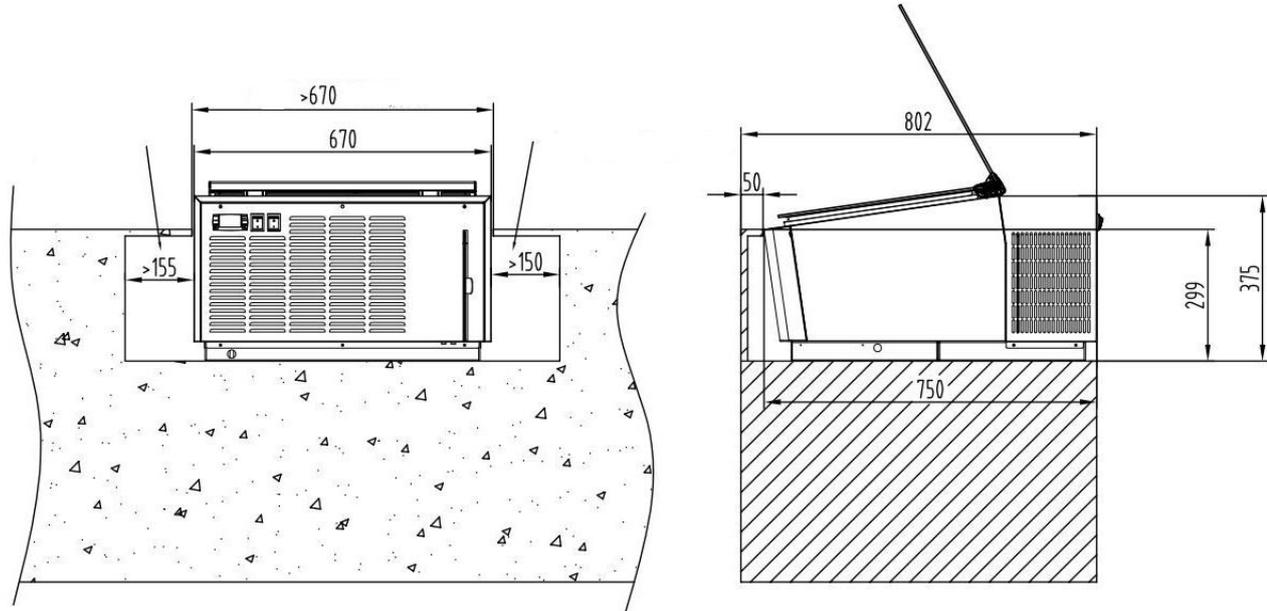

- **LED lighting:** Ensures an attractive presentation, even in low light.
- **Intelligent temperature control system:** Keeps the temperature stable for optimal product quality.
- **Safety glass with heating element:** Prevents condensation, ensuring the contents remain clearly visible.
- **Soft-closing glass lid:** The lid stays open when needed and closes gently for added convenience.
- **Compact and practical:** Requires minimal space but offers enough capacity for multiple flavors.

Whether you run a small hospitality business or a mobile food truck, this countertop ice cream display combines functionality and style for a professional presentation of your chilled delights.
