Compact and Stylish: Glass Door Countertop Refrigerator 136L Black

This glass door countertop refrigerator is a practical and professional cooling solution for commercial and semi-commercial environments. Thanks to its compact size and transparent glass door, the contents are always clearly visible, making it ideal for hospitality venues, offices, shops, or meeting rooms. The refrigerator combines efficient cooling with a modern appearance and is perfectly suited for displaying and chilled storage of drinks and products. Dimensions: 500x585x885 mm (WxDxH) – Capacity: 136 liters – Temperature range: +4/+10°C – Power consumption: 0.145 kW – Weight: 50 kg.

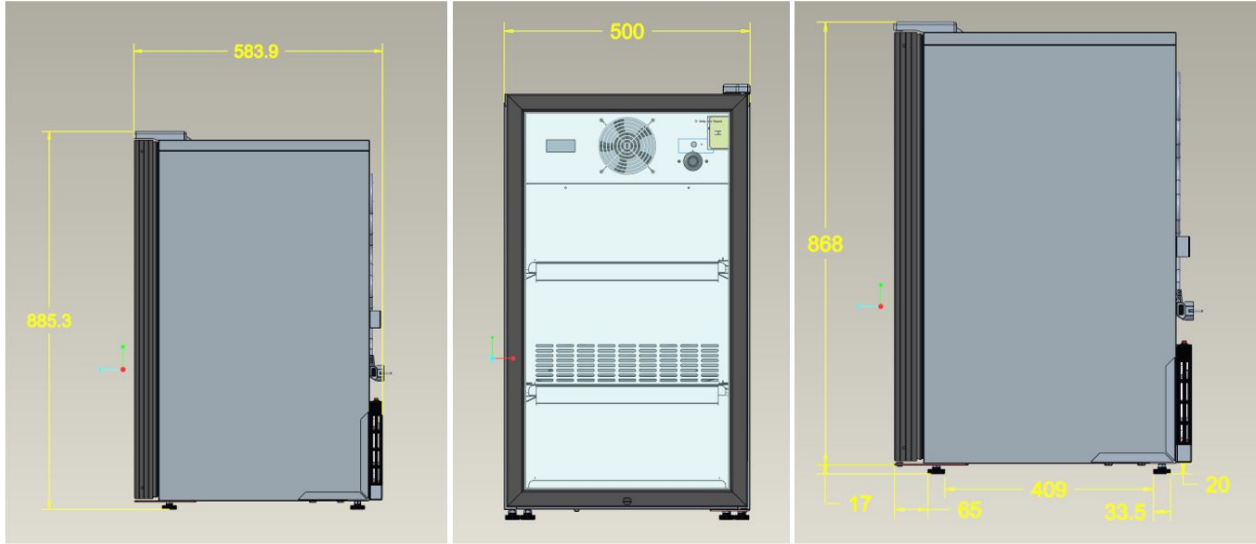

Key features:

- **Glass door with LED lighting:** Ensures excellent product visibility and an attractive presentation.
- **Compact countertop model:** Space-saving design, easy to place under a counter or at a convenient location.
- **Flexible interior layout:** Supplied with 2 adjustable shelves for versatile product storage.
- **Manual defrosting:** Easy to maintain and reliable in daily use.

Looking for a compact glass door refrigerator that combines functionality with a professional appearance? Choose this 136-liter countertop refrigerator and enjoy efficient cooling with a modern look. Order today!
