

VACUUM MACHINE 300MM - 630W

€1,085.00

Stainless Steel Vacuum Machine 300mm - Pro Preserve Freshness and Extend Shelf Life

This professional stainless steel (SS) vacuum machine is the ideal solution for keeping your ingredients fresh for longer. Thanks to the powerful vacuum pump, the machine quickly and efficiently removes air, preserving nutrients, flavor, and texture optimally. With a seal width of 300 mm and a cycle time of 5-60 seconds, you work quickly and effectively, making it ideal for both professional and home use. The dimensions are 425x359x366 mm (LxDxH) – power 0.63 kW – weight 25 kg.

Key Features:

- **Durable stainless steel housing** – Strong, hygienic, and easy to clean.
- **Powerful vacuum pump** – Ensures fast and reliable air removal.
- **User-friendly control panel** – Easily select different vacuum and sealing modes.
- **Auto vacuum function** – Automatically starts the vacuum process for effortless operation.
- **LED display** – Clear visualization of the vacuum status for optimal control.

Store your ingredients professionally and enjoy fresh products for longer!
