

DIGITAL KITCHEN TIMER 8 CHANNELS DKT-8

€69.00

Discover the DKT-8 Digital Kitchen Timer – 8 Channels for ultimate time management!

This sturdy digital kitchen timer is the perfect choice for foodservice establishments and professional kitchens that need precise timing for cooking and baking processes. With eight independent channels, you can manage multiple tasks simultaneously and ensure that every dish is ready at the right moment. Thanks to the clear digital display and user-friendly design, this timer is suitable for any kitchen, from restaurants to hotels. A handy feature is the reminder to shake dishes, such as for shaking fries during cooking. The dimensions are 300x112x36 mm (LxWxH) – consumption 2 Watt – weight 1080 g.

Key Features:

- **Clear digital display** – For quick and easy time management.
- **8 adjustable countdown timers** – Set the timer for each channel to the exact time in minutes/hours or minutes/seconds.
- **Shake reminder** – Set a reminder to shake or stir dishes, like fries.
- **Loud alarm alerts** – Notifies you when a timer goes off, so you never miss an important moment.
- **Stainless steel casing** – Durable but not waterproof; suitable for placing on a surface or mounting on the wall.

With this digital kitchen timer, you'll bring efficiency and precision to your kitchen, so you're always in control of your cooking time and interim tasks. Order today and improve your kitchen's time management!
