

REFRIGERATOR SS 1 DOOR 560L ENERGY LINE

€1,950.00

SKU: 7450.0250

Discover our high-quality stainless steel refrigerator with 1 door – the perfect choice for professional kitchens!

This stylish and durable refrigerator combines functionality with design. With its spacious interior and ventilated cooling system, it delivers optimal performance and reliable storage for your chilled products. The reversible door with a lock provides extra flexibility and security. The dimensions are 740x875x2090 mm (WxDxH) – power consumption 0.76 kW – capacity 560 liters – temp. +2/+8°C – weight 130 kg.

Key features:

- **Energy-efficient design:** With energy label A and 100 mm insulation for minimal energy consumption.
- **Space for 15x 2/1GN trays:** Flexible layout for efficient storage.
- **Ventilated cooling:** Ensures a constant temperature, ideal for various products.
- **LED lighting:** Illuminates the interior brightly and efficiently.
- **Automatic defrosting:** Saves time and minimizes maintenance.

With a sturdy stainless steel design and high-quality components, this refrigerator is built for durability and heavy-duty use. Whether you're in a restaurant, catering business, or retail store, this stainless steel refrigerator is the perfect choice for reliability and style. Order now and experience the perfect combination of performance, energy efficiency, and design!
