

IMPULSE COOLER BLACK 165L

€2,490.00

Introducing our efficient and stylish impulse cooler!

This impulse cooler is the ideal solution for quickly and efficiently cooling beverages, perfect for horeca, supermarkets, or events. Its open front provides direct access to chilled drinks with minimal waiting time. The ventilated cooling system ensures even temperature distribution, while the automatic defrost function makes maintenance simple. Thanks to the night cover, the temperature is maintained overnight and energy is saved. The LED lighting gives your products a modern look and ensures perfect presentation. The dimensions are: 660x710x1470 mm (WxDxH) - Capacity: 165 liters - Temperature: +1/+7°C - Power consumption: 0.5 kW - Weight: 150 kg.

Key features:

- **Ventilated cooling:** ensures even temperature distribution.
- **Automatic defrosting:** low maintenance and time-saving.
- **Night cover:** maintains temperature and saves energy.
- **LED lighting:** energy-efficient illumination of contents.
- **Open front for self-service:** customers can easily grab their chilled drinks.

Whether you run a bar, organize an event, or manage a supermarket, this impulse cooler offers the perfect combination of speed, efficiency, and style. Order now and always have chilled drinks within reach for your customers!
