

ICE CREAM DISPLAY KOMODO 6X5L

€4,475.00

SKU:

7487.0250

Meet our efficient and stylish ice cream display Komodo!

This ice cream display is the perfect solution for showcasing and storing scoop ice cream, ideal for ice cream parlors, hospitality venues, or events. Thanks to ventilated cooling, the temperature is evenly distributed, while automatic defrosting makes maintenance easy. The LED lighting ensures an attractive presentation of the ice cream, enticing customers to make a flavorful choice. With enough space for 6 containers of 5 liters, this display freezer offers optimal storage capacity. Dimensions: 910x880x1300 mm (WxDxH) - Capacity: 189 liters - Temperature: -16/-18°C - Energy consumption: 0.86 kW - Weight: 106 kg.

Key features:

- **Ventilated cooling:** ensures even temperature distribution.
- **Automatic defrosting:** easy to maintain and time-saving.
- **LED lighting:** illuminates the ice cream in an energy-efficient and attractive way.
- **Spacious capacity:** holds 6 containers of 5 liters.
- **Available in 3 sizes:** choose the ideal solution for your business and assortment.

Whether you run an ice cream parlor, own a food truck, or sell ice cream at events, the Komodo ice cream display combines efficiency, style, and ease of use. Order now and ensure a perfect presentation of your delicious ice cream!
