

## SUPERMARKET CHEST FREEZER GREY 2500 AUTOMATIC DEFROST \*TRANSPORT ON REQUEST\*

€2,725.00

SKU:

7455.2675

**Meet our extra spacious supermarket chest freezer – perfect for storing and displaying large quantities of frozen products in a professional retail environment**

This chest freezer combines a sleek design with practical functionality. Equipped with glass sliding lids for optimal product visibility and easy access, static cooling, automatic defrost, and energy-efficient LED lighting. The digital controller allows for easy temperature adjustment, while the generous 1040-liter interior provides maximum storage capacity. Dimensions are 2500x850x870 mm (WxDxH) – power consumption 0.75 kW – temperature range -22/-18°C – weight 120.5 kg.

### Key features:

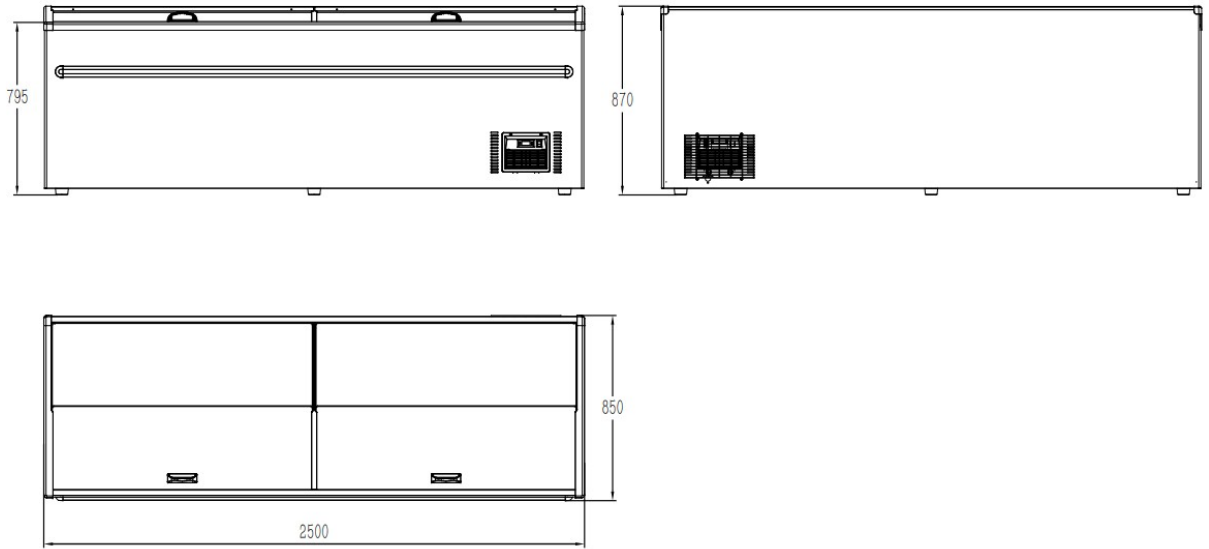

- **Glass sliding lids:** optimal product presentation and easy use
- **Static cooling:** reliable and energy-efficient
- **Automatic defrost:** prevents ice buildup and reduces maintenance
- **Digital controller:** for easy temperature settings
- **LED lighting:** clear product illumination
- **Expandable system:** combine with two other length sizes and a corner element to create a complete freezer island

Whether it's frozen vegetables, ice cream, or ready meals, this freezer chest offers space, overview, and reliability. Order today and optimize your frozen product presentation!
