

ENTRY 700 EL. FRY TOP CHROME

€2,355.00

Discover the Entry Line 700 electric double fry top – powerful, efficient, and energy-saving

The Combisteel Entry Line 700 double fry top is the perfect addition to your electric cooking line. With a robust stainless steel housing, a smooth chrome-plated cooking surface, and a removable splash guard, this griddle combines durability with easy cleaning. Thanks to its total power of 8.1 kW, it provides fast, even heat for perfect results – all in an energy-efficient way. The griddle features two on/off switches and two control knobs, allowing you to precisely regulate the temperature of both zones. The integrated grease tray ensures hygienic and clean working. Dimensions: 800x700x980 mm (WxDxH) – Voltage: 400V – Power: 8.1 kW – Temp. range: +180/+250°C – Weight: 85 kg.

Key features:

- **2 separately controllable cooking zones:** precisely adjustable for maximum flexibility
- **Durable and easy to clean:** stainless steel housing with smooth chrome-plated cooking surface and removable splash guard
- **User-friendly controls:** on/off switches and control knobs for precise temperature regulation
- **Practical grease tray:** ensures a hygienic workspace
- **Modular and energy-efficient:** part of the first fully electric Entry Line 700 cooking line, expandable with fryer, bain-marie, and neutral element

A professional double electric fry top that combines efficiency, ease of use, and flexibility – order now and expand your cooking line with this powerful, energy-efficient griddle!
