€3,250.00

Key features:

7049.0115

- All parts are made of stainless steel.
- Operates with NG (Naturel Gas) or LPG (Liquid Petroleum Gas).
- Safety system gas valves cut off the gas automatically when the burners go out.
- The burners can be controlled separately.
- Elevator mechanism enables to control the distance of cooking surface.
- Grill pan with water system, enables fumeless and odorless cooking, prevents food from shrinking and getting dry.
- The oils do not ignite thanks to cookers being on top.
- Easy cleaning due to drainage of dirty water.
