

VACUUM MACHINE SMOOTH MINI

€2,605.00

SKU:

7004.0005

Compact, powerful, and professional: the Smooth Mini vacuum machine!

The Smooth Mini from Combisteel is a professional vacuum machine in a compact format – ideal for restaurants, delis, and caterers who want to keep food fresh for longer and work hygienically. Thanks to its durable stainless steel construction, transparent lid, and user-friendly digital program, this machine is perfectly suited for daily use. Dimensions: 450x330x295 mm (WxDxH) – Power: 0.3 kW – Vacuum capacity: 4 m³/h – Weight: 25 kg

Key features:

- **Fast cycle:** Efficiently vacuums products with a cycle time of just 25–60 seconds
- **Stainless steel construction:** Both the housing and deep-drawn vacuum chamber are made of stainless steel – durable and easy to clean
- **User-friendly design:** Easily removable sealing bar (front, 280 mm) for quick cleaning
- **Digital control panel:** Comes standard with a time-controlled panel with 1 program
- **Pump maintenance program:** For cleaning and optimal care of the vacuum pump
- **Versatile use:** Suitable for vacuum-packing meat, fish, vegetables, cheese, and liquids

With the Smooth Mini vacuum machine, you choose efficiency, reliability, and top quality in one compact unit. Order now and experience the convenience of professional vacuum sealing!
