Discover the Professional Contact Grill!

The CombiSteel contact grill is the ideal solution for anyone who wants to prepare perfectly grilled dishes, whether you run a catering business, own a food truck, or provide catering services. This robust and efficient grill is specially designed for professional use and combines power with versatility. The ribbed grill plate is perfect for preparing items such as paninis, meats, vegetables, or fish, leaving the signature grill marks. Dimensions: 320x410x190 mm (LxDxH) – Power: 1.8 kW – Weight: 14.5 kg.

Key Features:

- **Removable grease tray:** Conveniently located at the front for easy removal of grease and crumbs.
- **Includes steel brush:** For quick and thorough cleaning of the grill plate.
- **Adjustable thermostat:** Set the perfect grilling temperature for any dish.
- **Durable construction:** Designed for intensive daily use in a professional setting.

With this professional contact grill, you can quickly and easily serve delicious, evenly grilled dishes. Order now and elevate your culinary creations to the next level!
