Meet the powerful double contact grill!

This double contact grill is an excellent solution for kitchens where speed, capacity, and quality matter. With two separate grill zones, it's easy to prepare multiple dishes at the same time. The grill features ribbed plates on both top and bottom, perfect for adding signature grill marks on both sides. Device dimensions: 560x440x300 mm (WxDxH) – Grill surface (WxD): 520x240 mm – Power consumption: 3.5 kW – Temperature range: +50/+300 °C – Weight: 32 kg.

Key features:

- **Dual grill zones:** increase output and flexibility in busy kitchens.
- **Grooved cast iron plates (top and bottom):** ensure even heat and consistent grill marks.
- **Stainless steel housing:** durable, robust, and easy to clean.
- **Removable grease collection tray:** easy maintenance and improved hygiene.
- **Separate temperature controls:** for precise heat management on each side.

This double contact grill gives your kitchen professional capacity and performance. Perfect for hospitality, catering, or high-demand use. Order now and boost your kitchen's efficiency!
